**BRITISH TYRE CO. 113**

"Value for money," is again offered  
 by the British Tyre Co., whose covers  
 and tubes for bicycles represent many  
 miles of satisfaction. "Cavaller," "Se-  
 curity," and the "Despatch" carrier  
 are names that mean something when  
 they emanate from this well-known  
 house. Tyres, of course, are available in  
 all the usual sizes.

One of the most interesting features  
 connected with the products of this  
 well-known firm is the method by  
 which mudguards of the celluloid type  
 are secured to the frame. The usual
