Moped in March

Discussing the intended entry of A. N. Clark, of the Isle of Wight, into the moped market (the *Trader*, October 27), Mr. Barnfather reported that all that was really known on policy was that the machine would be launched in the month of March. Specification details had not been released by the company, apart from the fact that the machine would have a 49cc two-stroke engine and 16 in wheels.

Reporting on the purchasing company's workings, E. W. Smith (Dudley) said that GNAT bicycles had had a
