**Scamp price down
to £41 14s 9d**

Retail price of the Scamp moped has been reduced from 48½ guineas to 39½ guineas (£41 14s 9d).

A. N. Clark, director of A. N. Clark (Engineers) Ltd., Binstead, Isle of Wight, maker of the Scamp, says that the reduction has been made to bring the machine within the present purchasing power of the public. The firm is also going after more export orders.

There is other good news from A. N. Clark (Engineers). Dealers who buy in quantities of three get a 27½ per cent discount; of seven, 30 per cent; and both these carry a further cash discount of 3½ for payment within seven days.
