Coventry **EAGLE**

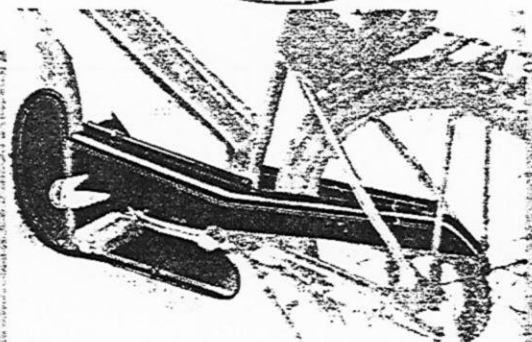

Auto Ette

is the Best yet!

This patent shield will keep your shoes and slacks clean

(Prov. Patent 3596/40)

PRICE (De-Luxe Model)

just one of Auto-Ettes exclusive features. There are others—see overleaf

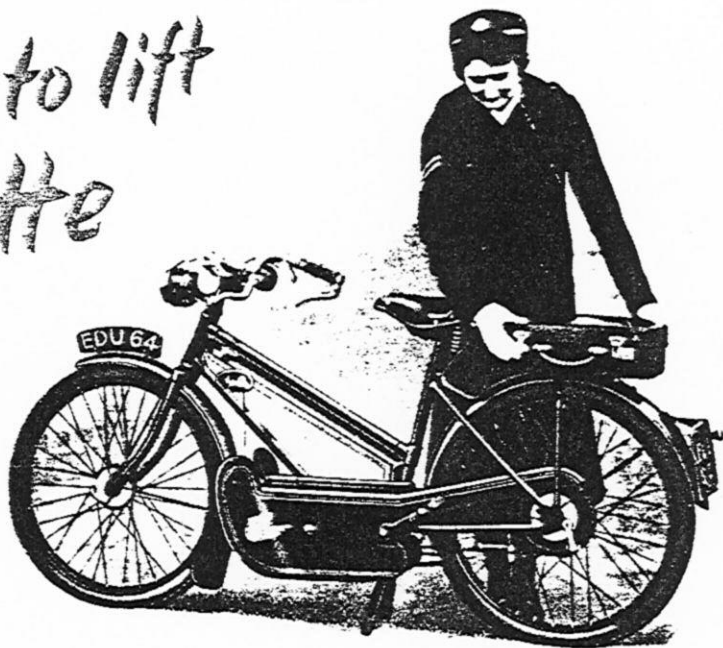

£22·15

You don't have to lift
the Auto Ette

— it has a convenient central stand — the machine rolls on to it. NOTICE THE POSITION OF THE INFLATOR, TOO — it cannot be knocked off, especially important to the lady rider.

Specification includes:

Villiers de-luxe flat top piston engine, Villiers ignition, carburetter and electric lighting (headlamp masked). Two-gallon tank, finished in black and carmine. Dunlop waterproof saddle. 26in. x 2in. Dunlop or Palmer tyres. Car-type brakes. Rustproof finish.

Equipment as illustrated. Petrol consumption, 130/150 m.p.g. Tax 17.6 yearly. Insurance: 3rd Party, Fire and Theft, 20-; Comprehensive Policy, £2.
