THE RIGHT CYCLES.

THE RIGHT PRICES.

CYCLES FOR EXPORT.

The right cycle

—One that has a name and is of high reputation, which has been before the public long enough to have established confidence, and further, one which comes from the heart of the cycle world—Coventry.

The right price

—A price, not so low that something has had to be sacrificed to get down to it, but the lowest at which a high grade cycle built of the right material in the right way is producible.

“COVENTRY EAGLE” CYCLES.

The Keen Exporter's Keenest Line.
