COVENTRY EAGLE CYCLES..... 66
DETAIL improvements on all Coventry
 Eagle machines have been made,
 including larger and better tool bags
 (now a separate unit from the saddle),
 higher grade hubs, Monitor Calliper
 brakes, except where the Monitor Super
 Cam brake is fitted. Tourists' models are
 now lined and all models have a head
 name plate fitted instead of the usual
 transfer.

CONSTRUCTOR TYRE CO. 67
"I WOULD use one if you could get it
 with a 'fixed' gear." How many
 times must racing men have said this
 when discussing derailleur gears! Cer-
 tain riders bred and born on a fixed
 wheel, so to speak, find it very difficult
