# CYMOTA

The World's best CYCLE MOTOR

- The new 1951 model Cymota is more powerful, more reliable than ever.
- 5—25 M.P.H. and up to 250 miles per gallon.
- Quickly fitted to any cycle. NO clutch, NO gears, only one control—the accelerator.
- Perfectly balanced, the patented light bonnet protects the sturdy British 45 c.c. engine.
- Don't queue for buses or trains — "GO 'BUY' CYMOTA."

Following the successful launching of Cymota twelve months ago, scores of Agents were appointed throughout the country but the number had to be limited to match factory output. With the opening of a new factory, Blue Star Garages Ltd. are now pleased to announce that further opportunities occur for the appointment of Agents.

Principals of firms interested in obtaining Sales Area representation are invited, in the first place, to WRITE to The Sales Director, Blue Star Garages, Ltd., at the address below so that an early interview can be arranged for a discussion on their appointment as Agents.

AVAILABLE IN SIX COLOURS,  
BLACK, RED, BLUE, MAROON,  
GREEN AND GREY.
