WINNER

**THE PUMA
48 CC 2-STROKE
MOPED**

Looks alone make the Puma 48 a sell-on-sight attraction. Even more exciting is the price. A super 3 speed motor, a full swinging arm rear, a telescopic front end *and at only*

£68.16.2

BIG PROFIT TOO, WITH THE DUCATI RANGE OF HIGH PERFORMANCE/LOW INSURANCE MOTOR CYCLES!

super sports camshaft models combining power-packed performance with reliability and economy, and backed by 100% spares service.

Superb Ducati models such as the Daytona combine high performance with low insurance—to give you a really effective selling proposition.

“The 100 m.p.h. 250! Indeed, a ton-up on this 250 is no myth . . . makes the Ducati Daytona a very worthwhile proposition for the not too wealthy racer” . . . Charlie Rous, Motor Cycle News, April 11th 1962.
