POWER AND PEDAL

MARCH, 1957

LEFT: *Supersport* RIGHT: *Luxus*

HMW
TWO models from the H.M.W. range of Austrian made mopeds which appeared at the Show last November are to be marketed here by Motor Imports, Ltd.

The *Luxus* model is a conventional 2-speed moped with a pressed steel frame with integral fuel tank. Bottom link front forks and swinging arm rear provide the suspension system with 23in. x 2.25 in. tyres. The specification includes carrier, speedo, electric horn, tools, etc., at £79. 19s. 1d. (including P.T.).

The "*Supersport*" model has a tubular frame and telescopic front forks, choice of two or three-speed gearbox, full width hub brakes to both wheels, dual seat and a 2¼-gallon fuel tank.

Price of the 2-speeder is £89. 19s. 6d., and the 3-speed model £94. 19s. 4d.
