Jawa "50"

A SCOOTERETTE version of the Czech Jawa light motor cycle which appeared at the 1956 Earl's Court Show is now available in Britain and handled by Industria, (London) Ltd.

Known as the Model 555, it is a well built and attractive looking machine with the engine mounted horizontally. The leg shields and footboards are built in and the specification includes 3-speed gearbox, kickstarter, dualseat and front and rear springing. Price is interesting at £87. 3s. 0d. Road Test follows.
