

# HAVE YOU A FULL RANGE OF MOPEDS TO OFFER CUSTOMERS?

For the Man who wants:—

## POWER

3.1. BHP—most powerful on the market.

## PERFORMANCE

The get away, hill climbing and Zip that only a geared machine can give.

## COMFORT

Tele. front forks, swinging arm rear, wide handlebars, man sized sprung and padded saddle.

## SPECIFICATION

All the above and deep valanced mud guards, Big strong carrier, tool box, powerful lights, horn.

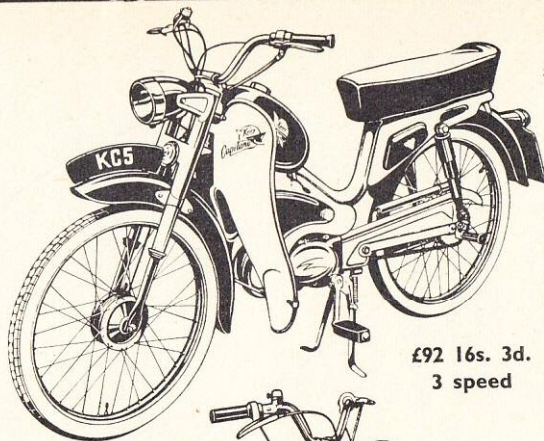

## LOOKS

The Motor Cycle look shows the breeding, not a modified bicycle, but a machine designed from the word 'Go' as a moped. Choice of three attractive colour schemes.
