Kerry Capitano MOPEDS

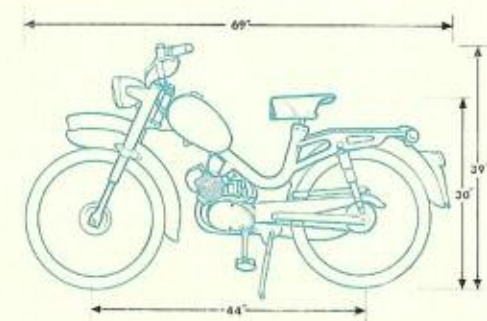

Here it is! The incredible Kerry Capitano—the moped that leaves all others standing! It has an engine like a powerhouse—superb suspension—smooth, positive braking. It's fast, comfortable, economical—designed and built by the finest Italian craftsmen in the business and guaranteed for six months.

- "It has quite amazing power"—*Daily Herald*.
- "Right from the first bite of the clutch, one has the feeling of a machine that really goes"—*(Power & Pedal)*.
- "We find ourselves most impressed with the high performance ease of handling and quality engineering that have gone into it"—*(Power & Pedal)*.
- "Matched in a contest of speed with most other standard production mopeds . . . the Kerry Capitano would probably be unchallenged"—*(Cycling and Mopeds)*.
- "Brakes are smooth and powerful"—*(Power & Pedal)*.
- "Handling in town was a revelation"—*(Motor Cycle and Cycle Trader)*.

Get with it! Get a Capitano now—they're lots of fun—and faster and cheaper than public transport.
