

NEW! NSU QUICK 50

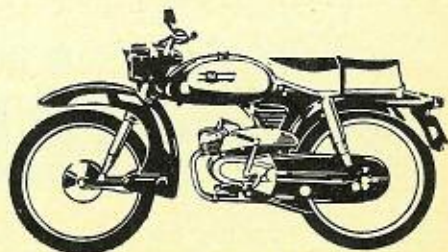

“Like piloting a flying carpet!”

That's what one of today's young riders said after testing the new NSU Quick 50! And this flying carpet quality comes from an astonishing 50 c.c. engine that gives the power and performance you associate with a 125 c.c. machine!

In an attractive shade of two-tone grey, the NSU Quick 50 combines modern streamlined styling with amazing handling qualities. Specification includes 4-speed

gearbox; full-size dual-seat; powerful full-width non-fade brakes; swinging-arm suspension, front and rear; pillion foot rests. Cruising speed 40 m.p.h., even with passenger; over 100 m.p.g. and low insurance rates. Backed by the NSU reputation for superb performance combined with economy, the Quick 50 is sure to be a quick, ready seller. Be ready for a big demand!
