

**NEW DUTCH MOPED**

The Dutch-made R.A.P. moped is being marketed by Continental Concessionaires Ltd., of 28-32 Highbury Corner, London, N.5., sole concessionaires for the U.K. (excluding N. Ireland). This 49 c.c. moped, with two gears, is of low construction and has a rigid frame. It retails at £60 7s. 6d. or with tax £74 17s. 4d.

A telescopic front-fork is employed and 24 in. by 2 in. wheels are fitted. Full-hub brakes, of duralumin, are fitted. Other features include rubber-mounted fuel tank (approx 1½ gallons), top speed of about 35 m.p.h.; 17 W lighting set, and valanced mudguards. The machine is finished in green and cream.

**The Perfect MOPED**  
*Smart, Silent, Sturdy Through & Through*

See the R.A.P. and you will be eager to sell this outstanding Moped designed to give your customers the ease of starting and ease of handling they require. It is phenomenally silent and its specification includes 49 cc. high-efficiency 2-stroke engine, full-width hub brakes, telescopic forks, speedometer and a host of other refinements. Write for full details.
