

Australian CYCLING and MOTOR CYCLING.

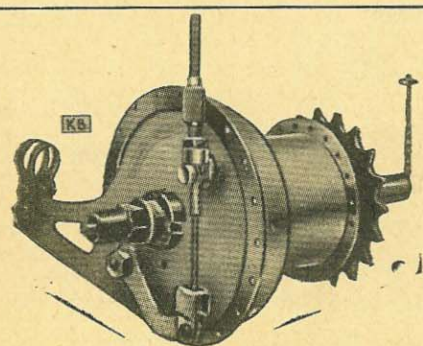

December 15, 1934.

News from the North

Athletes' New Home  
 Opened

to the grave  
 Eric Tavel  
 last week.  
 at Lang Park.

*The Gears that "Make Cycling Easy!"*

THE "K.B." HUB.

"K.B." standard 3-speed Hub, giving 33 1/3 % increase from normal to high gear and 25 % reduction from normal to low gear.

Just one of the famous STURMEY-ARCHER Range of Products:

**"K.B." 3-SPEED HUB**

Solo and tandem riders greatly appreciate the many advantages of a STURMEY-ARCHER "K.B." Hub. The brake ensures perfect control of one's machine, and the gear makes riding a sheer pleasure.

STURMEY-ARCHER GEARS LTD.

LENTON, NOTTINGHAM, ENGLAND.

Obtainable at all Cycle Stores.

*The Brakes that "Make Cycling Safe!"*

It pays to mention "Cycling and Motor Cycling."
