TRIUMPH
Tigress

When you buy a Triumph "Tigress", you buy not only magnificent design and efficient operation, but the backing and the unmatched service of the all-British Triumph organisation. The superb "Tigress" is packed with brilliant features—simple controls, powerful brakes, graceful bodywork, hydraulic damping and there's a choice of engines too! Single cylinder two-stroke, or surging four-stroke O.H.V. twin. Every Triumph "Tigress" is backed by the famous nation-wide 5-point scooter service.
