WEARWELL CYCLE CO., LTD.,

WOLVERHAMPTON.

**BRAKES**    **THE WASP** for the Manufacturer.  
**THE RETARD** for the Million.

**THE WASP** is a real good brake of new design and highest possible finish. It is especially suitable for Manufacturers and users of a high grade elegant brake.

**THE RETARD** is of similar design but of cheaper finish, and is very suitable for Factors and Agents who require a high grade brake at a low price.

BOTH QUALITIES IN  
**INVERTED ROLLER and PULL-UP LEVERS.**

Do not make arrangements until you see samples, which will be sent on application.

We can also quote for Fittings, Lug Sets, Chain Wheels, etc., etc.
