A.B.J. Cyclemotor

THE A. B. Jackson Cycle Company has announced a new cyclemotor to be known as the Auto Minor. The engine is a two-stroke of 49 c.c. capacity, and it can be supplied mounted on a fork suitable for attaching to most cycles, or complete with a special bicycle designed for cyclemotor use. The entire unit, complete with the 1/2-gallon petrol tank, is quickly detachable and grouped as compactly as possible about the steering head. Drive is by carborundum roller on to the front tyre.

Prices are as follows:—Auto Minor, single-speed model, £39, plus Purchase Tax (in Great Britain only), £41 18s 4d; three-speed model, £40 5s, plus Purchase Tax, £43 9s 2d. Makers are A. B. Jackson (Cycles), Limited, 300, Icknield Port Road, Birmingham, 16. A full description of the new engine will appear in a coming issue.
