weight tyre, and will include this lively cover, along with many others, in their Earls Court display this year.

The Speedster tyre is available in two sizes, 26 in. x 1 1/4 in. and 26 in. x 1 1/2 in. and is competitively priced at 10s. 7d.

Avon's Tandem Speed tyre, although "oversized," is a lively and light tyre, and priced at 15s.

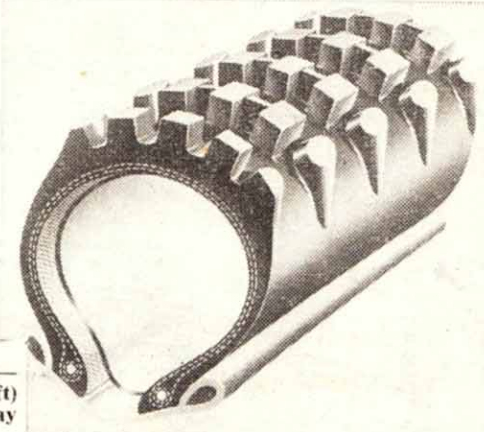

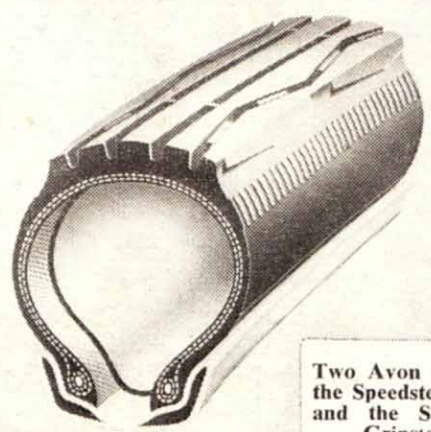

In all, the company will be showing eight different types of covers—a selection wide enough to meet the requirements of the utility rider and the hard-riding clubman.
