

THREE OUTSTANDING WINNERS!

1
**THE
BEST
SCOOTER**

Piatti

- Piatti is the lightest, fully-powered scooter made.
- It is cheap to buy, cheaper to run—and it's all British.
- Replacement parts are easy to get and easy on the pocket—or purse.
- Piatti is the only fully-powered scooter with an adjustable seat.
- There are Piatti dealers everywhere to give you immediate service.
- Six months guarantee with every machine.
- Low centre of gravity for safety and comfort.
- Exceptional protection against bad weather
- Very simple to maintain.

2
**THE
BEST
MOPED**

Cyclemate

- Combines the famous Cyclemaster engine with a specially-designed Norman cycle.
- Light in weight, yet sturdy and reliable and trouble-free.
- Speed up to 25 m.p.h. Fuel consumption approximately 200 m.p.g.
- Completely equipped for the road, including extra strong carrier.
- 32 c.c. engine gives amazing power—as much as many larger engines.
- Road shock and vibration reduced to the minimum.
- Easy accessibility for adjustment and servicing.
- Extremely efficient braking.
