and

## VIVI MODELS

PLANS to market the Italian-built range  
of Vivi machines in this country have  
been finalized by the Dot concern of  
Manchester. The range includes a scooter,  
mo-ped and lightweight motorcycle, all of  
which are powered by 50 c.c. German  
Victoria engines. Leading link forks and  
pivoting-fork rear-suspension are featured on  
all models.
