Dunelt

—the Quality-Built Bicycles

Cyclists who insist on a machine with refinements in both specification and workmanship find exactly what they are looking for in the latest Dunelt range—all produced with that extra attention to quality which instantly appeals to the eye (and the pocket) of the most discriminating riders.

The Dunelt range includes the popular "Diadem" Lightweight Tourist, a perfectly balanced machine in every way, the Dunelt "Dart," a favourite with keen clubman (and ladies), Light Roadsters, Tourists, Sports and Juveniles—in new and attractive colour finishes.
