MONZA GT/S

GARELLI

VIP 2-Speed Our finest model, this 2-speed VIP features superb designs for more power and pickup. It's 2-speed transmission has an automatic clutch to eliminate manual gear shifting. And its classic good looks let you ride in style...wherever you go!

SSXL This sleek, lightweight beauty features all of the latest designs in moped technology. The black SSXL comes equipped with a lightweight engine with aluminum cylinder and an aluminum head for improved cooling. Exceptional value in a Garelli classic.

Rally SL If you're looking for quality, price and styling, you'll find it in the quiet comfortable Rally SL. This step-through model features a $\frac{3}{4}$ length, flip-up seat with storage space underneath. Plus the Rally SL comes with an extended fender rack for carrying convenience. No wonder it's our most popular model!

Basic This performer features traditional Italian craftsmanship—but at a much better price than you'd expect. It employs a fully suspended drive-train and a unique full-floating suspension system for a smoother ride. Plus a tubular frame with built-in gas tank. The beautiful blue Basic combines top engineering and design features at very competitive prices.
