

Melody

MOPED

Believe in freedom. Believe in **HONDA**

NS50 *Melody*

A new concept in mopeds designed to give a 'two-wheel car' feel to commuter motorcycling.

Extraordinary economy, extraordinary comfort, extraordinary ridability and, of course, Honda's extraordinary reliability that's always been a regular feature.

Available in standard or deluxe models and five attractive colour schemes, together with a selection of thoughtfully designed, tailor-made accessories, the Melody is truly in tune with the eighties.

*The Honda Melody deluxe
is featured throughout this leaflet.*

NS50 Key Features

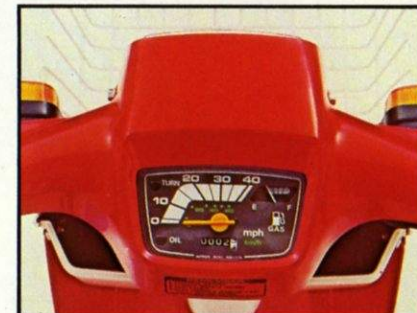

Melody

- Light weight and easy to handle, especially for the beginner.
- No mechanical feel. Just ignition key and Electric Starter (Kickstarter on Standard model) to start this moped – no clutch, no gears.
- Automatic oil injection system eliminates premixing of fuel and oil.
- Automatic choke system for easy starting.
- Automatic vacuum operated fuel valve.
- Fully automatic Honda V-Matic variable ratio transmission means no gear changing, easy take-offs, and quick acceleration.
- Maintenance free Capacitor Discharge Ignition (C.D.I.) system.
- Large capacity 12 volt 4AH battery.
- Fitted front and rear direction indicators.
- Full cover leg shields.
- Fitted front basket and rear carrier.

- Leg shield pocket fitted to Deluxe model.
- Rear brake lever features parking brake mechanism.

- Easy to see fuel gauge and oil level warning indicator.

- Combined ignition/steering lock incorporating unique helmet lock.
- Other features include:
 - i) R/H rear view mirror.
 - ii) Large comfortable seat, hinged and lockable for access to fuel and oil tank.
 - iii) Large size headlight and rear tail-light designed with safety in mind.

NS50 *Melody* Hondastyle Accessories

Tailor made accessories – exclusively in tune with the Melody
A selection of thoughtfully designed, Hondastyle accessories have been specially constructed just for the Melody. They'll add even more helpful, practical features to an already inspired piece of engineering.

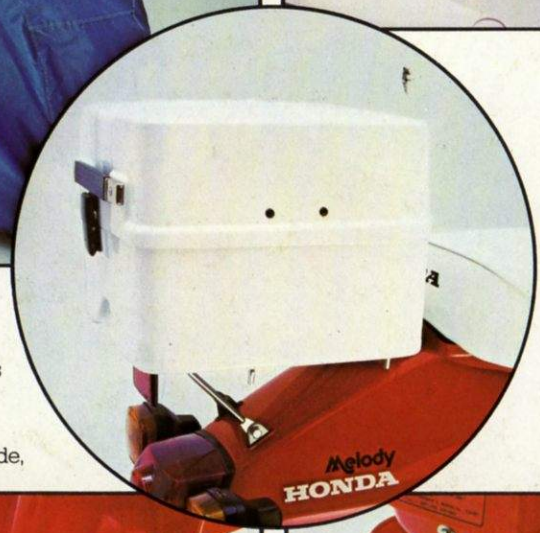

All weather cover
Your own made-to-measure garage. Fabricated in tough, weather-proof PVC with elasticated front and rear sections for a draught free fit.

Floor Mat
Rubber mat to fit and cover the wide, flat foot rest area.

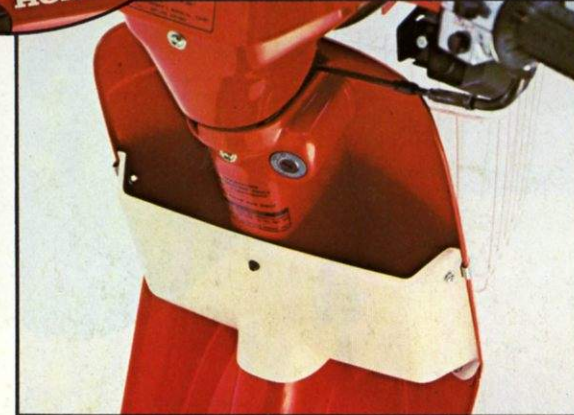

Windscreen
Designed to add further weather protection. Easily attaches to the handlebars and comes complete with trim

Top box
Streamlined, moulded top box that can be placed behind the large, comfortable hinged seat. Fully lockable with plenty of storage space – room enough to take an open face helmet.

Legshield Pocket
Moulded double pocket, which bolts neatly across the complete width of the leg shields, directly in front of the rider. (Standard on Deluxe model.)

Colours
Standard and Deluxe models available in all five colours.
