*Jawetta*

## **Moped JAWETTA** **the Means of Transport for Everybody**

The elegant moped of a solid structure, good stability and low weight. It is suitable especially for those, that are abandoning the bicycle for a motor vehicle; it is ideal for women and for juveniles over 15 years of age. It is allowed to ride a moped in the absence of a registration plate and driver's licence.

It easily tackles even rather steep climbs thanks to its two gears. The sprung front and rear wheel make its riding comfortable.
