New Nippy from jazzed-up Jawa

1982 CZ 250 features new paintwork and switchgear

After the amazing new model launches announced by the Japanese during the last six months it comes as a refreshing change to receive a modest press release from Jawa-CZ concerning changes to their range for 1982.

Newest addition to Jawa's model line-up is the new Jawa Nippy moped which replaces the Freewheeler moped. The Nippy has improved performance and

better lighting and the warranty period has been increased from six months to twelve. Standard and De Luxe versions of the Nippy are available, the latter featuring a metallic bronze paint finish and indicators. Indicators are an optional extra on the Standard which is available in red only. Price for the new Nippy is £229 for the De Luxe and £199 for the Standard (these prices include VAT and car tax).
