CYCLE EQUIPMENT

Keep a faithful record of your mileage

Watch the miles slip by, but know your exact mileage at any time, whether it is during a day, weekend run, holiday tour or a full season's cycling.

Precision built with watch-like accuracy, neat, light and strong, records up to 10,000 miles and then repeats. Bright clear figures record miles and tenths of a mile.

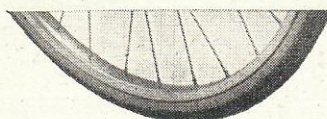

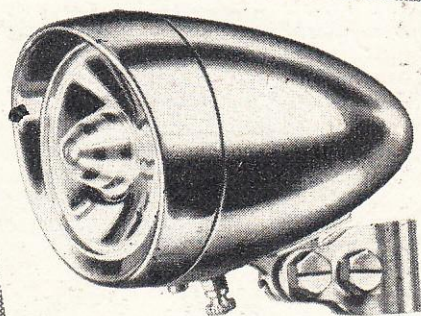

Dust and water proof.
Complete with striker
and rust-proof hub
spindle bracket for 24",
26", 27" & 28" wheels.
