

Be in the lead with a "King" set

No other cycle dynamo sets have all these exclusive features including:- "Light Units" modelled on the famous Lucas car lighting equipment. Silver plated brass reflectors. Push-in sleeved cable connectors allowing for variable cable lengths. Twin wiring to eliminate earthing troubles. Powerful 6 volt 3.3 watt generator with combined universal fixing bracket and rear light. Special brackets available to suit all requirements. Be sure you are in the lead by fitting one of the popular Lucas "King" range of Cycle Dynamo Sets.

You will also be interested in the comprehensive range of other Lucas "King of the Road" Cycle Accessories exhibited on our stands at the Cycle and Motor Cycle Show, Earls Court. "King" range Prices 34/6 to 47/6
