

Be in the lead with a "King" Set

"King" MAJOR

"King" SPORTS

"King" MINOR

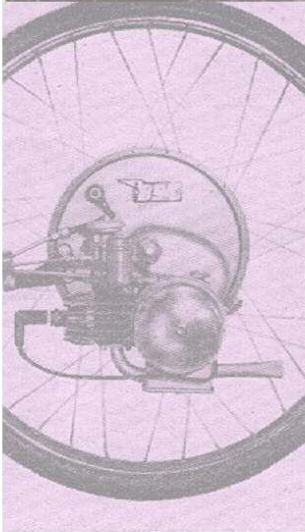

Three brand new models so outstanding in their conception and construction that they will excite the enthusiasm of every cyclist. You are sure to want one of these new "King" sets when you see their modern styling and brilliant new features, including the new "Light units" modelled on the famous Lucas car lighting equipment. Completely redesigned lens units which give a powerful beam with ample local light. Push-in sleeved cable connectors allow for easily variable cable lengths to individual requirements. Powerful 6 volt 3.3 watt dynamo with combined bracket and streamlined rear lamp.

Prices: 26/- to 50/-
