

**THE FINEST LIGHT-GIVERS FOR CYCLES**

- THE "SILVER KING" SET has a graceful "streamline" chromium-plated **HEADLAMP** with a large silver-plated reflector giving a brilliant beam: pilot bulb for town riding.
- **COMBINED BATTERY AND SWITCHBOX** clips to the handlebar stem; 3-position switch, "Pilot," "Full," "Dim," in the most accessible position.

- **TAIL LAMP WITH "REALITE" REFLECTOR.** Even should the bulb fail unnoticed the rider is fully protected by the patented Lucas "Realite" Reflecting Glass (N.P.L. Certificate No. 154).
- **ROBUST, POWERFUL 6-VOLT DYNAMO** as supplied with all Lucas Cycle Dynamo Sets. Provides an even, brilliant light with ample light even at walking pace. Strong Carrier Bracket with die-cast liners, for any section forks.

- No. 316. Complete Set **27/6**
  - The wide range of Lucas Dynamo Sets enables all needs to be met.
- PRICES**  
13/6 to 27/6
