

Attractive three-dimensional full colour Showcard (12 $\frac{3}{8}$ "w. x 15 $\frac{1}{2}$ "d.) with actual-size cut-outs of Headlamp, Dynamo & Rear-light.

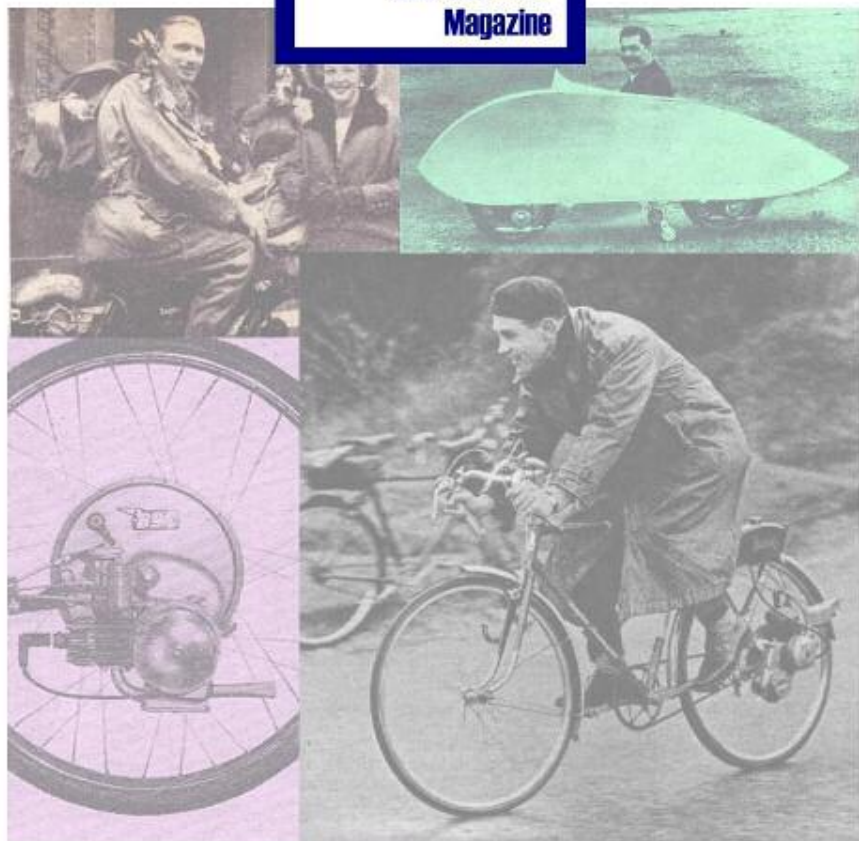

DYNAMO LIGHTING SETS

MILLER Cycle Dynamo Lighting Sets continue to set the style in world design, with the MILLER diamond recognised throughout the cycling world as an unfailing guarantee of constant quality and consistent reliability. In furtherance of our mutual interests, this effective aid to sales is now being distributed and supplies are available through our local representatives. Just part of the MILLER service . . . a further example of MILLER co-operation with their Dealer friends abroad.
