NSU QUICK 50 DETAILS

Orders are now being taken (for delivery before the November Show) for the NSU Quick 50 motor cycle, which is to be imported by NSU (GB) Ltd., of 134-136 King Street, Hammersmith, London, W.6.

The Quick 50 is a 50cc model—a two-stroke transmitting 4.3 bhp through a four-speed gearbox. It will sell at £119 17s. 6d. in Britain.

Long swinging-forks, ultra-modern styling, racing-pattern 2½-gallon tank, long dualseat, large-diameter (5 in.) brakes, 6V 29W lighting, and 23 in. by 2½ in. tyres, are among the other characteristics of the Quick 50.

The performance embraces a maximum speed of 45 mph and 100 mpg. Equipment includes pillion footrests, centre-stand, steering lock, speedometer and toolkit.

Finish is in two tones, Sogno grey and Arcona sand, with chromium-plated wheel-rims.
