

EXCITING NEWS FROM NSU

NOW THE STREAMLINED NEW

NSU Quickly S/2 23!

1962 brings a sales tonic to the moped market—with the new Quickly S/2 23. Here is a streamlined and modernised version of the remarkably successful three-speed S/2 model, amazingly priced at *less than the old model!* Big feature of the new model is a new $1\frac{1}{2}$ gallon fuel tank. This knee-grip tank brings to the moped the precise control and added safety of the motor-cycle type tank—tremendous selling point of today's safety-conscious buyer. Other new features include a new colour scheme of pearl grey and airline blue. And, like all Quickly mopeds, it carries a 12-month guarantee.

Priced at **£89.16.6** (£74.0.11 + £15.15.7 tax) the new S/2 23 comes within the NSU/Layford progressive discount terms. Spare parts immediately available to all NSU Dealers.

New Features:

- Compact new styling
- 23" Wheels
- Alloy rims
- Heavier tyres ($2\frac{1}{2}$ " on rear wheel) $1\frac{1}{2}$ " gallon knee-grip fuel tank
- Streamlined headlamp and speedometer housing
- Cables now fixed to outside of centre frame
- Pump and tool-box located under hinged dual seat.

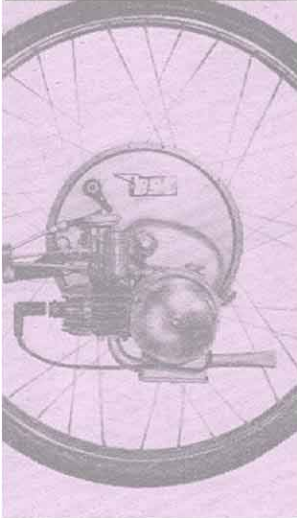

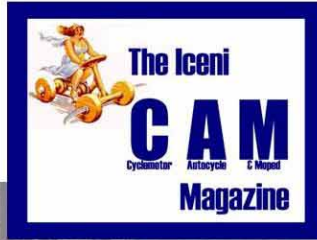

Proven Features:

- Rugged Quickly welded steel frame
- Powerful (2 b.h.p.) S/2 engine & 3-speed gearbox
- 5" diameter hub-brakes with 6.5 sq. in. braking area in each hub
- Luxurious Denfeld dual seat.
