

*The Strongest cycle  
in the world -*

THERE IS A NORMAN CYCLE FOR EVERY COUNTRY

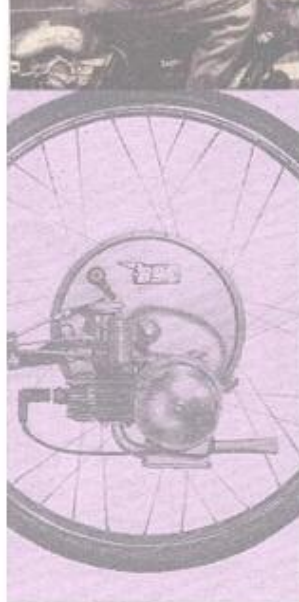

*U.S.A.*

The traditional NORMAN qualities of strength and craftsmanship have won widespread approval throughout America. Because NORMAN cycles, built from finest British steel, are designed for the special conditions of every country, they give long service and absolute reliability. Send for details of Norman Cycles for **your** territory. Immediate delivery ex stock is available in the U.S.A. through The Andrew Fisher Cycle Co., Inc., 619, West 54th Street, New York, 19, N.Y.

**NORMAN**
