

More Speed!

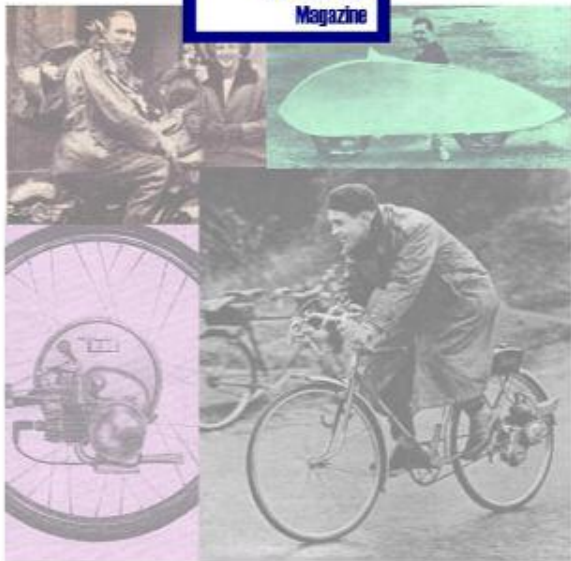

We are speeding up production of NORMAN Autocycles and Lightweight Motorcycles—and we are in a good position to do so since these types have been in production throughout the war. But even so the enormous demand caused by the removal of permit restrictions means that some delay in delivery is still inevitable. May we ask your patience a little longer. Your dealer will supply as soon as he can.

NORMAN LIGHTWEIGHT MOTORCYCLES AND AUTOCYCLES

NORMAN CYCLES
LTD.,
ASHFORD,
KENT.
