

Brimming over with energy & economy

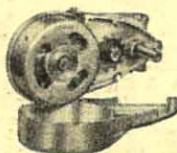

IT'S RESULTS THAT GIVE PROOF OF PERFORMANCE and in the recent Rossendale Motor Club Enduro the Phillips Gadabout certainly gave that—beating all other mopeds, to come in **FIRST** in its class over 102 gruelling miles in pelting rain.

The high power developed by its 49 c.c. engine ensures lively acceleration and smooth running under all conditions and its road holding qualities make it a joy to ride.

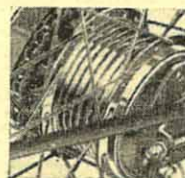

Petrol consumption is up to 200 m.p.g. Write now for full colour catalogue.
