## RALEIGH

THE ALL-STEEL BICYCLE

—Individually Produced—

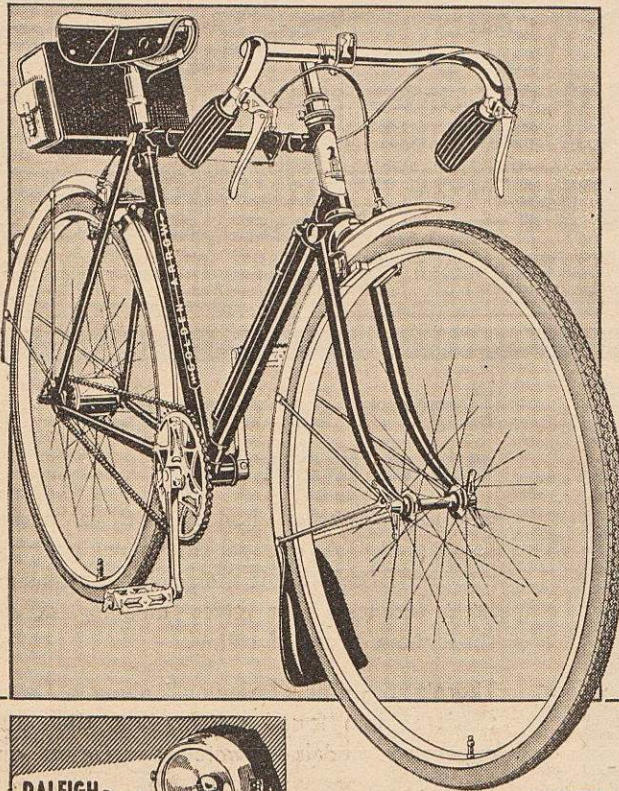

THOUSANDS OF **NEW** CYCLISTS HAVE PROVED IT TRUE

... "only individual  
Production gives you  
*Quality* cycling—  
and only Raleigh

gives it you at  
a moderate  
price"

For the past 3 years every season has seen Raleigh reach a new record for sales. This year Raleigh Sales are up by over 61,000 bicycles on the corresponding period for last year (itself a record)—proof positive that as cycling becomes more popular, cyclists become more discerning. Quality tells. Only an Individually Produced cycle can offer you the subtle refinements of design and finish which are the prerogative of an easy-running machine. And only Raleigh with their vast resources and experience can give you the benefits of this advanced manufacturing technique at a reasonable price!

..so *Raleigh* quality materials  
and precision  
manufacture  
are more than  
ever essential!

**RALEIGH**  
THE ALL-STEEL BICYCLE

Here's a tandem designed from first to last with a scientific appreciation for its exacting duty—that is not just a “development” of solo machine principles. The Raleigh is precision built with quality materials throughout; where the weight and “thrust” of two riders put an added strain on the machine, extra special steels give added strength. But study the Specification—see for yourself this marvellous mount is equipped with “the best of everything.” Add the fact that it is built in the world's largest cycle factory and you'll know why the Raleigh is the easiest-running, smartest-looking, and most trustworthy tandem on the road!
