

RALEIGH POLICE MODEL - MODEL 4

RALEIGH *The All-Steel Bicycle*

A SERIES OF 48 CARDS

I. POLICE MODEL

MODEL 4.

A very robust machine, specially designed and built for heavy and arduous duty. Fitted with Sturmey-Archer 3-speed gear combined with "Dynohub" hub lighting, this is a most suitable model for riders who require 28" wheels and a larger frame size (24") than the average.

Is giving yeoman service to members of numerous Constabularies and many others to whom a model of this type is a necessity. Equipped with DUNLOP Tyres, BROOKS' Saddle and RENOLD ELITE Chain.

STURMEY-ARCHER GEAR AND LIGHTING SET

RALEIGH DAWN GENTS - MODEL II

RALEIGH *The All-Steel Bicycle*

A SERIES OF 48 CARDS

2. DAWN

MODEL 11.

This is a well-trying model built with 26" wheels and low bottom bracket, enabling the rider to place the toe on the ground when stationary and whilst normally seated on the saddle.

Roller lever rim brakes, the front fitted with patent Anti-Vibration plates, provide very powerful and safe braking. Rich Burgundy finish is available at a small extra charge. Equipped with DUNLOP Tyres, BROOKS' Saddle and RENOLD ELITE Chain.

STURMEY-ARCHER GEAR AND LIGHTING SET

RALEIGH DAWN LADY'S - MODEL III

RALEIGH *The All-Steel Bicycle*

A SERIES OF 48 CARDS

3. DAWN

MODEL 11L.

A firm favourite with lady riders by virtue of its low and safe riding position, eminently suitable for shopping expeditions and short runs.

The Rich Burgundy enamel, available at a modest extra charge, provides a pleasing alternative finish to the standard Black enamel. Adequate braking power is provided by roller lever rim brakes, the front fitted with patent Anti-Vibration plates. Equipped with DUNLOP Tyres, TERRY'S Saddle and RENOLD ELITE Chain.

CYRIL PEACOCK

RALEIGH *The All-Steel Bicycle*

A SERIES OF 48 CARDS

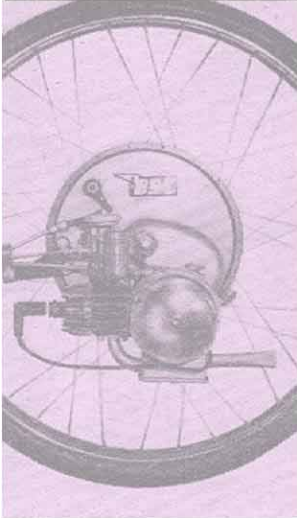

48. CYRIL PEACOCK

At 27 years of age, Raleigh professional cyclist Cyril Peacock, is strongly tipped in racing circles as the natural successor to Reg. Harris. In 1954 he won three important amateur distinctions: British, Commonwealth and World sprint championships.

Backed by the resources of the world's largest cycle factory his avowed ambition is "to emulate Reg. Harris or even go further than Reg. has done"
