Randonneur

A WORLD CLASS TOURER FOR FIRST CLASS TRAVEL

See the world on the ultimate Tourer - the Randonneur - and capture the spirit of adventure. This legendary bicycle is truly in a class of its own, combining elegant styling with comfort, reliability and technical excellence.

The Reynolds 708 Touristique custom tubaset takes touring frame technology to new heights. Unique full and part length ribbed profile butts greatly improve stability and reduce overall weight. Tyres are continental top touring 700x35c with extra ply for puncture protection. Gearing by Shimano is lightweight and easy to control with bar end shifters. Plus Shimano LX cantilever brakes. The finest precision components are accompanied by a wealth of valuable touring accessories for the highest standards of travel.

With unparalleled design and uncompromising build quality, small wonder travellers, touring cyclists and magazine reviewers the world over have made the Randonneur their first choice for short or long distance expeditions.

Royal

A SEASONED TOURER TO TAKE ON THE WORLD

If travel broadens the mind, the Royal is a Tourer built to broaden horizons. Sister model to the Randonneur, the Royal is well-travelled and famous for comfort, responsiveness and the ability to carry heavy loads with ease and agility.

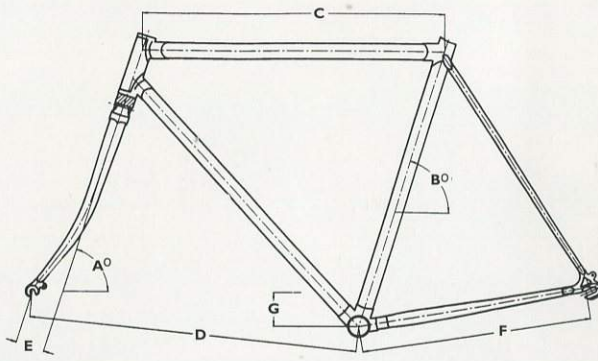

This versatile model is designed to go the distance with handbuilt touring frame technology at its best in the shape of the Reynolds 708 Touristique custom tubeset. The Royal also displays a full complement of quality components and accessories. Shimano 7 speed transmission system offers a sensible gear range for touring. Braking performance again by Shimano STX Cantilevers. Rims are lightweight, parallax hubs are heavy duty and robust for the toughest of journeys.

A quality touring package with Blackburn rack, Esge mudguards and Vetta Lite Gel saddle adds the finishing touch to this intrepid explorer that knows no bounds.
