

Top cycle - top seller!

It's a sure thing that when you're selling a top cycle you're going to get top sales. And that's just what happens when you're selling a Triumph PALM BEACH. Bright and smart, it's the favourite of the popular Triumph range. The PALM BEACH—always in demand—will really be hitting the high-spots now that people are getting out and about again with the better weather, so make sure you stock up and display this top cycle.
