## MONEY BAGS! ESPECIALLY NEW POCHETTES!

The latest addition to the HIWAY range of luggage equipment for HONDA lightweight motorcycles. Fitting snugly behind the leg-shield on the Honda 50, these compact, yet deceptively large bags are just the job for small articles that come in handy while travelling. Pochettes are real moneyspinners! Will soon boost your sales way up high. In fact, there's big money in the whole of the HIWAY range of matching luggage for Hondas—voluminous side panniers, convenient accessible top-cases, tight fitting duaseat covers. Do yourself a financial-favour—write for details now quoting ref. L666/L744/L745.

HONDA WINDSCREEN  
Ref. No. H.W.S.P.47

This windscreen is designed solely for the Honda C.100 and C.102. Double curvature perspex mounted on to the chrome plated support rods with cushion mounted trunnions and domed nuts. This feature ensures that the perspex is not damaged by over-tightening. The specially designed support rods mount on to two small brackets which screw on to the HONDA mirror arms and fit into the handlebar recess. Easily and quickly fitted to the machine. Supplied boxed with assembled fittings.
